Dear Head of the Student Union

I hope this invitation finds you well.

It is with great honor that we invite your institution of higher education to participate in the 26th PCU University Games, taking place from 23 to 25 April 2025 at the official host, AP University of Applied Sciences and Arts in Antwerp, Belgium.

The Games feature Men's Football, as well as Women's and Men's Basketball, Volleyball, and Futsal. The previous edition brought together 61 university teams from across the globe, creating an exciting and inclusive atmosphere for all participants. The PCU Games emphasize Fair Play and Universal Friendship. They are organized by the PCU Committee, the university platform of Panathlon International (PI), which has been the global leader in promoting ethics in sports since 1951 and is recognized by the International Olympic Committee (IOC).

We sincerely hope to welcome your institution to Antwerp, where we can share the values of Fair Play and Universal Friendship through this unique and inspiring student sports event.

With the utmost respect and sincere appreciation,
